We are thrilled to announce that Gary Greene, Realtors Foundation is making plans for “A Day On The Bay” fishing tournament and lunch. The date has been set for Friday, September 9 at Watermon’s Restaurant and Marina - 14302 Stewart Road, Galveston TX. The Gary Greene Realtors Foundation focuses on 5 defined areas of support; Education, Community Support, Hunger, Health and GG families with Hardships. Please see attached, showing the charities that The Gary Greene Realtors Foundation supported in 2021.

The Day on the Bay fishing tournament is one way for us to raise money for all these great charities. Our realtor, mortgage, title, and insurance family at Gary Greene decided many years ago that we needed to help others. We need more to be able to accommodate people in our own communities that need our help. We are very proud of all that we helped last year and want to help so many more in 2022.

A Day on the Bay is set to be a very fun morning and afternoon that you don’t want to miss. There will be a seafood buffet lunch, drinks, fishing prizes, a silent auction, a raffle and a zydeco band.

Your sponsorship or donation will bring us closer to meeting our goals of helping others. We cannot meet our goal without the help of people and companies like yours. So many of the charities that we have donated to or we would like to donate to are in great need. “A Day On The Bay” is only possible thanks to the support of our generous underwriters. We are hopeful that you will participate in one of the following opportunities. Attached are the different sponsorship levels and 501 (c)(3) paperwork.

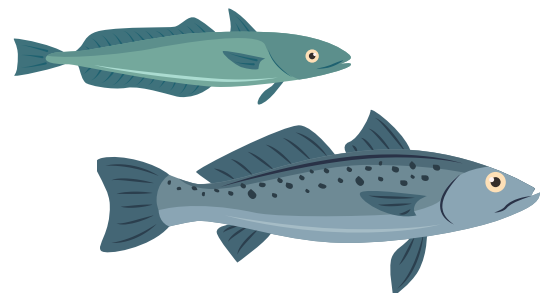

You can be a big part by becoming a sponsor either by mail or by logging onto our website by scanning the QR code below.
