We are thrilled to announce that Gary Greene Realtors Foundation is making plans for “A Day On The Bay” fishing tournament and lunch. The date has been set for Friday, Sept. 8, at West End Marina (Sea Isle), Galveston, TX. The Gary Greene Realtors Foundation focuses on 5 defined areas of support: Education, Community Support, Hunger, Health and GG families with hardships. Please see the attached, showing the charities that The Gary Greene Realtors Foundation supported in 2022.

The Day on the Bay fishing tournament is one way for us to raise money for all these great charities. Our Realtor, mortgage, title and insurance family at Gary Greene decided many years ago that we needed to help others. We need more to be able to accommodate people in our own communities that need our help. The Gary Greene Realtors Foundation is very proud of all that we helped last year and want to help so many more in 2023.

A Day On The Bay is set to be a very fun morning and afternoon that you don’t want to miss. There will be a seafood buffet lunch, drinks, fishing prizes, silent auction, raffle and zydeco band.

Your sponsorship or donation will bring us closer to meeting our goals of helping others. We cannot meet our goal without the help of people and companies like yours. So many of the charities that we have donated to or we would like to donate to are in great need. “A Day On The Bay” is only possible thanks to the support of our generous underwriters. We are hopeful that you will participate in one of the following opportunities. Attached are the different sponsorship levels and the 501 (c)(3) paperwork.

You can be a big part by becoming a sponsor either by mail or by logging onto our website <http://garygreenefoundation.com> If you mail in your sponsorship please include your sponsorship page with a check made out to Gary Greene Realtors Foundation and denote Day on the Bay on your check. CHARITIES THE GARY GREENE REALTOR FOUNDATION SUPPORTED IN 2022

TRIUMPH OVER KID CANCER

To improve the lives of children with cancer by raising their spirits, raising the public's awareness, and funding research to improve the treatment and survivability of pediatric cancers. Each donation is matched dollar for dollar by MD Anderson.

AMERICAN HEART ASSOCIATION NORTHWEST GO RED LUNCHEON

The Go Red for Women movement encourages women to take charge of their heart health, since one in three women will die from heart disease in the United States. Our donation helps to create opportunities for people like our mothers, sisters and friends to live longer, healthier lives.

NATIONAL ALOPECIA FOUNDATION

Donations are used for research, emotional support and aid to those that cannot afford wigs. These wigs need to be replaced every 3 months. Alopecia areata is a common autoimmune skin disease, causing hair loss on the scalp, face and sometimes on other areas of the body. In fact, it affects as many as 6.8 million people in the U.S. with a lifetime risk of 2.1%. People of all ages, both sexes and all ethnic groups can develop alopecia areata.

AUTISM SPEAKS

They are dedicated to promoting solutions, across the spectrum and throughout the life span, for the needs of individuals with autism and their families. We do this through advocacy and support, increasing understanding and acceptance of people with autism, and advancing research into causes and better interventions for autism spectrum disorder and related conditions.

OPERATION SNOW STORM

This organization provides a child who is battling terminal cancer the miracle of a snowstorm! They do this by dumping 10,000 pounds of snow in their front yard. They provide gloves, shovels, toys and sleds so they can be a 'Snow Warrior' for a day."

CHARITIES THE GARY GREENE REALTOR FOUNDATION SUPPORTED IN 2022

SLEEP IN HEAVENLY PEACE

All children deserve a safe, comfortable place to lay their heads. In Idaho and across the U.S., too many boys and girls go without a bed - or even a pillow - to sleep on. These children end up sleeping on couches, blankets, and even floors. This can affect their happiness and health. That's where Sleep in Heavenly Peace comes in. This is a group of volunteers dedicated to building, assembling and delivering top-notch bunk beds to children and families in need.

THE MAN & WOMAN OF THE YEAR CAMPAIGN

Jeremy Wallner was nominated for this prestigious award which is a 10-week fundraising competition that raises funds to benefit the Leukemia and Lymphoma Society. The Leukemia and Lymphoma Society (LLS) funds important, life-saving research for various forms of blood cancer.

SWING FOR A CURE

The foundation was a sponsor for the "swing for a cure" golf tournament which benefits the Cystic Fibrosis Foundation. Only 30,000 children and adults have this disease and the drug companies do not consider this a large enough amount of the population to do much research. Therefore money raised for this foundation is used for research to find a cure.

GARY GREENE FAMILIES

Three of our own Gary Greene Family members had to have unexpected medical issues needed to help with astronomical expenses. Another one of our agent's had a devastating fire at their home.

CONROE ISD

The foundation Recess Equipment for a title 1 elementary school that had no recess equipment. We donated money towards 3 recess packs that included balls, small goals, soccer goals for fields and other equipment for PK- 4th grade.
